

Sustainability and DMU Global

Owen Sheridan (Deputy Head of DMU Global)

DMU Global – our mission

- Embed internationalisation at DMU
- Enhance academic study through overseas experiential learning
- Collaborate with universities globally to support student exchange
- Raise the cultural awareness and language skills of our students

Links to sustainability issues

- Embedding sustainability and the UN SDG's into overseas opportunities
- Opportunities specifically focused on sustainability issues
- Virtual opportunities themed around sustainability, global citizenship and the UN SDG's

DMU Global Online Learning

- Since September, more than 600 students have participated in over 50 unique online experiences
- Mix of academic, employability focused and cultural experiences
- Continuing to develop our online offer post-Covid

Making DMU Global Greener

- Sustainability and travel online pre-departure module
- Making sustainability part of our staff proposal forms
- Collaborating with our student travel provider
- Future plans ...
